Grade Policy:

My grading policy is based on the New Tech model learning outcomes: **Knowledge and Thinking** (content of course), **Agency** (participation, turning in projects on time etc.), **collaboration** (working with others), **oral communication** (presentations, discussions etc), **written communication** (reflection and responses). All projects and grades will be accessible on **Echo** (<https://mntms.echo-ntn.org>; sign in using scholar email address and password)

Each learning outcome will be weighted based on school-wide requirements:

- Knowledge and Thinking- 40%
- Agency- 25%
- Collaboration- 10%
- Oral Communication- 10%
- Written Communication- 15%

All scholars are expected to turn projects in on time. One point will be deducted from the Agency grade each school day the project is late.

Tutoring/extra work time can be scheduled with me before and after school using the following link:

[HTTPS://MNTMSVISUALARTS.AS.ME/](https://mntmsvisualarts.as.me/)

I must be informed at least a day in advance. If tutoring is completed, no late points will be deducted.

Any unforeseen emergency that prevents a scholar from turning in an assignment on time needs to be communicated to me ASAP.
