BUSINESS AS USUAL IN OCTOBER

Hello!

We have finished the first 6 weeks already! Can you believe it!? It is especially hard to believe because the high outside is still in the 90s!

During the first 6 weeks, we established a new program (classcraft) and expectations for the school year. All scholars are well versed in what is expected in the art room. I encourage you to talk to your scholar about all the fun and exciting things we are creating everyday!

October is a time for "business as usual", AKA making amazing artwork!!

SUCCESS AT MANORFEST

Every year MNTMS participates in the ManorFest student art competition. This year's theme was "Going the Distance" Artwork was displayed from Thursday to Saturday afternoon. Our artwork stood alongside artwork from every campus in Manorisd. We had some stiff competition in the Middle School category but our own **Brianna Romero received 3rd place!** We are all very proud of her and all scholars and their hard work! The following MNTMS Scholars also had their work on display:

- **Magnus Stahl**
- **Madison Avery**
- **Danna Becerra-Mendez**
- **Abigail Carranza**
- **Eleanor Davis**
- **Sandy Huynh**
- **Jubilee Jimenez**
- **Alianah Suda**
- **Danae Sevilla**

CELEBRATING HISPANIC HERITAGE MONTH

"Manor ISD would like to invite the entire community to the Hispanic Heritage Festival on Tue. Oct. 22, 2019 at the Manor High School Performing Arts Center at 12700 Gregg Manor Road, Manor, TX 78653.

Performances start at 6:30pm. Doors open at 6:00pm. The event will feature student dance performances, music, poetry, arts, crafts, food, and student exhibitions. The event will also complete a month of classwork focused on the importance of Hispanic heritage and appreciation for different cultures. Many of these projects will be featured at the event."

MNTMS MS 2 scholars have been working hard on sugar skull masks that will be on display during the festival!

We hope to see you there!

ART HISTORY HALLOWEEN PARTY

Art 1 scholars are preparing for one of my scholars favorite projects of the year! Art 1 scholars are tasked with researching a randomly assigned artist from art history, creating a work of art based on that artists style and finally dressing as the artist or one of their works of art for an Art History Halloween party! Scholars will learn about the artist the others have researched while playing games and having snacks. This project is a really fun way to make art and art history come alive for scholars!
